

# MOC-FV TK / Kindergarten

## Checklist

*Welcome to TK or Kindergarten! Before the start of the 25-26 school year, your child will need the following forms turned in to the health office.*

### This packet includes:

\* Health Information Sheet explains the following forms- light pink

- 1. Immunization Record Form-example in gold, please turn in completed Certificate of Immunization form (or exempt form) from your doctor or immunization clinic to the office ASAP. The Health Information (light pink) sheet explains this requirement.
- 2. Student Health Questionnaire and Consent-complete in August from your Parent Infinite Campus portal.
  - If your student has a health condition that affects their school day or ability to learn, please:
    - fill out the red slip by Nurse Karina at information night
    - OR
    - by calling the office and notifying the school nurse before April visit day or the first time your student visits the school.
- 3. Lead Level Completed\* No proof needed to hand in; check with your doctor it has been completed. See tan handout and survey for information regarding lead screening levels and risk.
- 4. Dental Screening Form-yellow
- 5. Vision Screening Form-green both sides filled out
- 6. School Medical Report (Physical Form) blue- \*optional but strongly recommended- if your child has a health concern, we ask that a physical is completed with any doctor recommendations for school listed.

If you have any questions or concerns regarding these forms or any requirements for entrance into TK or Kindergarten, see the light pink Health Information Sheet in this packet OR feel free to contact Karina Nonnemacher, School Nurse at: 712-737-4606 or [nurse@mocfv.org](mailto:nurse@mocfv.org).
