

2026 SPRING/SUMMER DRIVER EDUCATION – REGISTRATION FORM

We appreciate the interest and desire to have your student take the Driver Education course through MOC-Floyd Valley High School. Thus, we plan to offer the required 30 hours of classroom instruction via an online model using the platform: Edpuzzle

Online Edpuzzle activities will be assigned on or after April 13th.

Upon registration, Mr. Pfaffle (classroom instructor) will reach out to participants/parents with further information regarding the online coursework and class expectations. The classroom portion of the Driver Education Class will require the completion of course work within Edpuzzle, by the designated progress dates. (The state law requires a minimum of 30 classroom hours.)

The six hours of behind-the-wheel instruction will be scheduled on an individual basis. An initial driving time will be scheduled with your behind-the-wheel instructor as the course progresses. Students should indicate a preference of a driving partner on this registration form.

Registration forms are available in the High School and Middle School Buildings. Students must have a driver's permit by April 1, in order to be eligible for the 2025 Driver Education Class at MOC-Floyd Valley.

Completed registration forms along with payment must be turned in to the MOC-Floyd Valley High School office by Monday, March 23rd.

Please keep the top Portion/Schedule for your records

Please return the bottom portion to MOC-Floyd Valley High School

2026 DRIVER EDUCATION COURSE - MOC-FLOYD VALLEY HIGH SCHOOL
