PARENTS MAKE THE DIFFERENCE!

ORANGE CITY ELEMENTARY

Parent-Teacher Conferences- We would like to thank our parents who attended our Parent-Teacher Conferences over the past several weeks, either virtually or by phone. Your willingness to take the time to discuss your child's progress with us is appreciated and shows the strong parent commitment that has always been a huge factor in the success here at Orange City Elementary.

Meals at School- A reminder that for the rest of the school year meals at school are free due to a grant from the Federal Government. This includes breakfast and lunch but if you have older students in the Middle or High Schools the ala carte menu still contains items that must be purchased. OCE does offer milk breaks for students and the cost is 35 cents per day. Taking milk for the breaks is completely optional.

Items for students- If your child has forgotten an item and you wish to bring it to school please ring the doorbell at the North entrance and we will be glad to buzz you in. Simply write the child's name and teacher on the Post-It notes provided and we will get it to them ASAP. Also if you are picking up a student again use the North entrance and wait in the lobby and we will send your child out to meet you there.
