Welcome
April

Friday Dismissals

School will be dismissed two hours early (1:15pm) on Fridays - for staff development.

In the unlikely event that we have a weather-related late start on one of the scheduled professional development Fridays, we will cancel the early dismissal and attend until our regular 3:15 p.m. dismissal time.

No School for Spring Break

There will be no school on Thursday, April 1st - Monday, April 5th for Spring Break.

Graduation for the Class of 2021

Commencement for the Class of 2021 will be held Sunday, May 23rd at 2:00 p.m. in the high school new gym.

It is the policy of the MOC-Floyd Valley Community School District not to illegally discriminate on the basis of race, color, national origin, sex, disability, religion, creed, age (for employment), marital status (for programs), sexual orientation, gender identity and socioeconomic status (for programs) in its educational programs and its employment practices. There is a grievance procedure for processing complaints of discrimination. If you have questions or a grievance related to this policy please contact the district's Equity Coordinator, Russ Adams, Superintendent, 709 8th St SE, Orange City, IA 51041 712-737-4873, radams@mocfv.org.

FROM THE COUNSELOR'S OFFICE — MR. MCDONALD

SCHOOL HEALTH NEWS: *Ashley Van Voorst, RN - School Nurse*

Iowa Immunization Law Requirements for 2021-2022 TK and Kindergarten

The following are the State of Iowa immunization requirements for students entering kindergarten or transitional kindergarten for the 2021-2022 school year. Immunization certificates, and other requirements, can be mailed to the office this spring, or you may email a copy to nurse@mocfv.org

The following immunizations must be complete before the first day of school.

- Five doses of DTap, one of which is after age 4
- Four doses of Polio, one of which is after age 4
- Two doses of varicella unless student has had history of chickenpox
- Three doses of Hepatitis B
- Two doses of MMR

All TK and kindergarten students must have updated immunizations and kindergarten students must be seen by a dentist and an eye doctor before the first day of school. If your child has already had their four year old booster shots, please send this information to the school.

6th and 11th Grade Parents - Immunization Requirement Information

Meningococcal and Tdap Vaccine Secondary School Requirement

As of January 11, 2017, the IDPH has completed the administrative rules process to require meningococcal vaccine for students enrolling in 7th and 12th grades for the upcoming 2021-2022 school year.

7th - This law will require all incoming 7th grade students born after September 15, 2004, to receive one dose of Meningococcal (A, C, W, Y) vaccine **BEFORE** the start of the 2021-22 school year. No immunization provisional will be given. The IDPH also requires ALL children entering 7th grade to have one booster dose of Tdap (Tetanus Diphtheria Pertussis). Adolescents can receive Tdap as early as 10 years of age. If your student, who is entering 7th grade, has not already received the Tdap immunization, please make arrangements to do so prior to the start of the school year.

12th - It will also require all incoming 12th grade students, born after September 15, 1999, to have received two doses of Meningococcal (A,C,W,Y) vaccine **BEFORE** the start of the 2021-22 school year. (only one dose needed if students received the first dose after the age of 16.) No immunization provisional will be given. Please bring the updated 'Certificate of Immunization' to the school office or at fall registration after completed.

****If students do not have this new Meningococcal requirement fulfilled before the start of school in August 2022, your child will not be able to attend until the immunization is obtained or the school nurse has a waiver of Medical or Religious Exemption to the vaccine. If you have questions, please contact the school nurse, at your child's school office.**
