

Orange City Elementary— February 2022

Enroll your child for Kindergarten & Transitional Kindergarten

Parents interested in enrolling their children for next year's Kindergarten or AM TK classes are asked to go to www.mocfv.org and click on the TK-KG Enrollment Form button found on our homepage to fill out the necessary information. Current TK students do not need to re-enroll. Due to the overwhelming need for AM TK placements, we have decided to again offer two morning sessions of TK in the 22-23 school year. If your child does not currently attend a preschool or a TK program we ask that you contact the school at 737-4606 to set up a day and time for a screening. The screenings are done by our Kindergarten teachers and the short 15 minute screening will help us learn more about your child. If you have any questions or concerns regarding your incoming TK/KG student, please call Orange City Elementary 712-737-4606.

MOC-FV District Weather Alerts

MOC-Floyd Valley Schools will again be sending weather alerts using Infinite Campus. You may sign up to receive these alerts via email, voice message or text message. You may choose your message type by logging into your Infinite Campus parent portal, clicking on the person icon in the top righthand corner, click on settings and then contact preferences. If you do not have an email address, parent portal or a current student in the district but you still want to receive school alerts, you are still able to receive messages to your home phone or cell phone number. Simply call the school office at 737-4606 and we will be happy to set that up for you.

Parent-Teacher Conferences

Parent-Teacher Conferences will be held March 17th and March 22nd. We will try to keep the schedule close to the one used for Fall Conferences. Slips with your day and time will be sent home at the end of the month. Thank you, in advance, for your cooperation and attendance and we look forward to discussing your child's progress with you.
